FOR THE ANNUAL GENERAL MEETING OF THE HOLDERS OF COMMON SHARES OF RAZOR ENERGY CORP. TO BE HELD ON DECEMBER 16, 2020

Dated: November 6, 2020

PURPOSE OF SOLICITATION

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Razor Energy Corp. (the “Corporation”) for use at the annual general meeting of the holders (the “Shareholders”) of the common shares (the “Common Shares”) in the capital of the Corporation to be held solely by means of remote communication via teleconference at 587-328-1099, Meeting ID 912 9842 7281 (there is no participant code so enter # to continue), on December 16, 2020 at 2:00 p.m. (Calgary time), and any adjournment or adjournments thereof (the “Meeting”) for the purposes set forth in the Notice of Annual General Meeting (the “Notice of Meeting”) accompanying this Information Circular.

The Corporation is continuously monitoring the current coronavirus (COVID-19) outbreak. In light of the evolving news and guidelines related to COVID-19, the Corporation has decided to host the Meeting solely by means of remote communication. The Corporation reserves the right to take any additional precautionary measures it deems appropriate in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak. Changes to the Meeting date and/or means of holding the Meeting may be announced by way of press release. Shareholders are encouraged to monitor the Corporation’s website at <https://www.razor-energy.com/> or the Corporation’s SEDAR profile at www.sedar.com, where copies of such press releases, if any, will be posted. You are advised to check the Corporation’s website one week prior to the Meeting date for the most current information. The Corporation does not intend to prepare an amended Circular in the event of changes to the Meeting format. **All Shareholders are strongly encouraged to vote prior to the Meeting by any of the means described under the heading "Completion of Proxies" below, as in-person voting at the time of the Meeting will not be possible.**

RECORD DATE

The Shareholders of record on November 5, 2020 (the “Record Date”) are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

1. such person transfers his or her Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Corporation, not later than 10 days before the Meeting, that his or her name be included on the shareholders’ list for the Meeting.

Any registered Shareholder of the Corporation at the close of business on the Record Date who either attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “Completion of Proxies”.

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the enclosed form of proxy (the “**Form of Proxy**”), Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Corporation. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means. All currency amounts expressed herein, unless otherwise indicated, are expressed in Canadian dollars.

Completion of Proxies

The Form of Proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting.

The persons named in the enclosed Form of Proxy are the President and Chief Executive Officer, and the Chief Financial Officer, respectively, of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be mailed or completed online at www.alliancetrust.ca/shareholders/ so as to be deposited at the office of the Corporation’s agent, Alliance Trust Company, 1010, 407 - 2nd Street S.W., Calgary, Alberta T2P 2Y3, not later than 2:00 p.m. (Calgary time) on the second last business day (not including Saturdays, Sundays and holidays) preceding the day of the Meeting or any adjournment thereof or deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Corporation.

Appointment and Revocation of Proxies

A Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Shareholder or intermediary or his or her attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either: (i) with the Corporation at its offices or at the office of the Corporation’s agent, Alliance Trust Company, at any time prior to the close of business on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (ii) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting at inquiries@alliancetrust.ca, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will

vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Notice-and-Access

The Corporation has elected to use the “notice-and-access” provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the “**Notice-and-Access Provisions**”) for the Meeting in respect of mailings to its Beneficial Shareholders (as defined below) and its registered holders of Common Shares (“**Registered Shareholders**”). The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

The Corporation will be delivering proxy-related materials to non-objecting beneficial owners of its Common Shares directly with the assistance of Alliance Trust Company. Please note that the Corporation’s management does not intend to pay for intermediaries to forward the notice-and-access notification and voting instruction request forms to those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about them pursuant to Canadian securities legislation (“**Objecting Beneficial Shareholders**”). Consequently, if you are an Objecting Beneficial Shareholder, you will not receive these materials unless the intermediary holding Common Shares on your account assumes the cost of delivery.

Shareholders with questions about notice-and-access can call Alliance Trust Company at 403-237-6111 or toll free at 1-877-537-6111.

In order to receive a paper copy of this Information Circular and other relevant information, requests by Shareholders may be made up to one year from the date the Information Circular was filed on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) by: (i) mailing a request to the Corporation at Suite 800, 500 – 5th Avenue S.W., Calgary, Alberta T2P 3L5, Attention: Investor Relations; (ii) calling Alliance Trust Company at 403-237-6111 or toll free at 1-877-537-6111; (iii) by emailing a request to inquiries@alliancetrust.ca; or (iv) online at the following websites: www.razor-energy.com or www.alliancetrust.ca/shareholders/. The Corporation estimates that a Shareholder’s request for paper copies of the Circular and other relevant information will need to be received prior to November 30, 2019 in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed form of proxy by the due date set out under the heading “*Completion of Proxies*” in this Circular.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many investors who do not own Common Shares in their own name (“**Beneficial Shareholders**”). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account

statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate individuals.

In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Meeting, Form of Proxy and this Information Circular (the "**Meeting Materials**") to the intermediaries for distribution to Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of securityholders meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to registered Shareholders by the Corporation. However, the purpose of the broker's form of proxy is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically asks Beneficial Shareholders to return voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The Broadridge voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

If you have any questions respecting the voting of Common Shares held through an intermediary, please contact that intermediary for assistance.

EXECUTIVE COMPENSATION

General

For the purpose of this statement of executive compensation, a “CEO” or “CFO” means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity during the most recently completed financial year. A “Named Executive Officer” or “NEO” means each CEO, each CFO, the Corporation’s most highly compensated officer, other than the CEO and CFO, who was serving as an officer at the end of the most recently completed financial year and whose total compensation was more than CAD\$150,000, and any additional individuals who would be a Named Executive Officer but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the Corporation’s Named Executive Officers in respect of the year ended December 31, 2019 were: Doug Bailey, President, Chief Executive Officer and Director; Kevin Braun, Chief Financial Officer; and Frank Muller, Senior Vice President, Chief Operating Officer and Director.

Compensation Philosophy, Objectives and Governance

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers

provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term shareholder value.

The Corporate Governance and Compensation Committee, on behalf of the Board, monitors compensation for the executive officers of the Corporation and for 2019 was comprised of Shahin Mottahed, Sanjib Gill and Vick Saxon. The Corporate Governance and Compensation Committee has the authority to engage and compensate, at the expense of the Corporation, any outside advisor that is determined to be necessary to permit it to carry out its duties, but it did not retain any such outside advisors in the financial year ended December 31, 2019.

Compensation Process

The Corporate Governance and Compensation Committee relies on the knowledge and experience of its members to set appropriate levels of compensation for NEOs. When determining NEO compensation, the Corporate Governance and Compensation Committee uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs, who are considered by the Corporate Governance and Compensation Committee to be essential to the success of the Corporation. In reviewing comparative data, the Corporate Governance and Compensation Committee does not engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level and does not compare its compensation to a specific peer group of companies. The Corporate Governance and Compensation Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary and awards of stock options) and recommends the NEOs' compensation packages. In determining whether and how many stock options will be granted, the Corporation does not use any formal objectives, criteria or analyses in reaching such determinations; however, consideration is given to the amount and terms of outstanding stock options.

Elements of Compensation

The executive compensation program consists of three components: (i) base compensation in the form of salary; (ii) long-term compensation in the form of the Corporation's portion of the Employee Stock Purchase Plan (the "ESPP") and (iii) stock options. For the Named Executive Officers, the ESPP component is an essential part of their compensation. The Corporation has implemented a discretionary bonus structure as a component of its executive compensation. Neither the Board nor the Corporate Governance and Compensation Committee considered the implications of the risks associated with the Corporation's compensation policies and practices. In addition, no NEO or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation, or held, directly or indirectly, by a Named Executive Officer or director of the Corporation.

Base Compensation

Base compensation for executive officers of the Corporation is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions. In setting base compensation levels, consideration is to be given to such factors as level of responsibility, experience and expertise in addition to the policies of the TSXV. Subjective factors such as leadership, commitment and attitude are also to be considered.

Employee Share Purchase Plan

Razor's ESPP is available to all full-time and part-time employees and directors of the Corporation. Full-time employees may contribute up to 10% of their base salary (as defined in the ESPP) each pay period, part-time employees may contribute up to \$150 each pay period and directors may contribute up to \$20,000 annually to the ESPP. The Corporation matches the contribution on a 250% basis. Through an appointed independent firm, the Corporation uses the contributions to acquire Common Shares on behalf of the participants through open market

purchases at the current market price of the Common Shares. The Corporation may, from time to time, make contributions on behalf of its personnel.

Stock Options

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive stock options. The maximization of shareholder value is encouraged by granting stock options since it provides an incentive to eligible persons to further the development, growth and profitability of the Corporation. Consideration will be given to granting stock options amongst the various organizational levels of management, including directors, officers, key employees and certain consultants. The CEO makes recommendations to the Board for the CFO, key employees and certain consultants. These recommendations are to take into account factors, such as awards made in previous years, the number of stock options outstanding per individual and the level of responsibility. The Board, as a whole, determines the stock options to be issued to the CEO.

Stock Option Plan

The Corporation has implemented a Stock Option Plan for directors, officers, employees and consultants (each, an "**Optionee**") of the Corporation, in accordance with the rules and policies of the TSXV. The purpose of the Stock Option Plan is to encourage ownership of Common Shares by directors, officers and employees of the Corporation, and its subsidiaries (if any), and consultants who are primarily responsible for the management and profitable growth of its business and to advance the interests of the Corporation by providing additional incentive for superior performance by such persons and to enable the Corporation and its subsidiaries to attract and retain valued directors, officers, employees and consultants.

Pursuant to the Stock Option Plan, the Corporation has authorized, subject to any regulatory approvals, the reservation of up to ten percent of the issued and outstanding Common Shares for the grant of stock options from time to time.

Under the Stock Option Plan, the Board may from time to time grant to Optionees, as the Board shall designate, stock options to purchase from the Corporation such number of its Common Shares as the Board shall designate.

The aggregate number of Common Shares which may be reserved for issuance to any one person under the Stock Option Plan and which are subject to outstanding stock options granted under the Stock Option Plan must not exceed five percent of the issued Common Shares (determined at the date the stock option was granted) in a twelve month period unless the Corporation first obtains disinterested shareholder approval pursuant to the policies of the TSXV (but only if the policies of the TSXV at the time require such approval). The number of Common Shares granted to any one consultant under the Stock Option Plan in a twelve-month period must not exceed two percent of the issued Common Shares of the Corporation, calculated at the date the stock options was granted to the consultant. The aggregate number of Options granted to eligible persons employed to provide investor relations activities under the Stock Option Plan must not exceed two percent of the issued Common Shares in any twelve-month period, calculated at the date the stock option was granted. The maximum number of Common Shares which may be reserved for issuance to insiders under the Stock Option Plan shall not exceed ten percent of the total number of Common Shares then outstanding and the maximum number of Common Shares which may be issued to insiders under the Stock Option Plan within any one-year period shall not exceed ten percent of the total number of Common Shares then outstanding.

While the Common Shares are listed on the TSXV, the exercise price per Common Share for any stock options granted under the Stock Option Plan shall not be less than the discounted market price of the Common Shares in accordance with the policies of the TSXV.

Subject to earlier termination, stock options granted must expire not later than the maximum term permitted by the rules of the TSXV. Stock options granted to any optionee who ceases to be a director, officer, employee or consultant of the Corporation for any reason other than death will terminate on the 30th day following the effective date the Optionee ceases to be a director, officer, employee or consultant.

In the event of death of an Optionee, any stock options previously granted shall be exercisable with one year following the death of the Optionee to the extent the Optionee was entitled to exercise such stock options at the date of the Optionee's death pursuant to the terms of the Optionee's stock option agreement.

As at the financial year ended December 31, 2019, there were 2,106,446 Common Shares reserved for issuance pursuant to the Stock Option Plan. No stock options have been issued under the Stock Option Plan.

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation's management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation's approach to corporate governance.

Corporate Governance and Compensation Committee

The Board has established a Corporate Governance and Compensation Committee. The members of the Corporate Governance Committee are Messrs. Mottahed and Phelan. Mr. Mottahed is the Chairman of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is comprised entirely of non-management members of the Board.

The Corporate Governance and Compensation Committee is responsible for proposing new director nominees to the Board and for assessing current directors on an ongoing basis. The Corporate Governance and Compensation Committee is also responsible for the Corporation's response to and implementation of the guidelines set forth from time to time by any applicable regulatory authorities.

Independence of Members of Board

The Board currently consists of four directors, two of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. Mottahed and Phelan are independent. Mr. Bailey and Mr. Muller are not independent by virtue of serving as President and Chief Executive Officer and Senior Vice President and Chief Operating Officer of the Corporation, respectively.

Board Oversight

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in-camera* session among the independent and disinterested directors.

Directorships in Other Reporting Issuers

As of the date hereof, the following directors hold directorships in other reporting issuers:

Name of Director	Reporting Issuer
Shahin Mottahed	Target Capital Inc.

Board Mandate

The Board has adopted a written mandate, attached hereto as Schedule "B", that summarizes, among other things, the Board's duties and responsibilities. The Board is responsible for the overall stewardship of the Corporation and dealing with issues which are pivotal to determining the Corporation's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in the day to day operations of the Corporation, as these operations are conducted by the Corporation's management. The Board meets regularly to consider and approve the strategic objectives of the Corporation and management plans designed to accomplish those objectives. Where appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, the entering into of lines of credit or other significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Corporation to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Corporation's shareholders and the public. The Corporation's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance and Compensation Committee is responsible for monitoring the governance systems of the Corporation with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance and Compensation Committee also acts as a nominating committee for new directors, oversees and approves the Corporation's compensation plans and evaluates the overall Board effectiveness.

Position Descriptions

The Board has developed a written position description for the Chairman of the Board and the Chief Executive Officer of the Corporation, but has not developed a written position description for the Chairman of the Audit Committee.

The Chair of each committee of the Board schedules meetings of the committee and organizes and presents agendas for such meetings.

The Board, in conjunction with management, sets the Corporation's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

While the Corporation does not have a formal orientation and training program, new members of the Board are provided with:

- (a) a copy of the policies and mandates of the Board and its committees and copies of the Corporation's corporate governance policies, which provides information respecting the functioning of the Board;
- (b) access to recent, publicly filed documents of the Corporation;
- (c) access to management; and
- (d) access to legal counsel in the event of any questions relating to the Corporation's compliance and other obligations.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSXV for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "**Code**") wherein directors, officers and employees of the Corporation and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. Interested Shareholders may obtain a copy of the Code upon request by contacting the Corporation at Suite 800, 500 – 5th Avenue S.W., Calgary, Alberta T2P 3L5.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Corporate Governance and Compensation Committee. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Corporation and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or the committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. The representative is prohibited from taking any further action in respect of the matter or transaction giving rise to such conflict or potential conflict unless and until he is authorized to do so by his reporting officer or the Audit Committee.

Nomination of Directors

The Corporate Governance and Compensation Committee has responsibility for identifying potential Board candidates. The Corporate Governance and Compensation Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the oil and gas industry are consulted for possible candidates. The Board has

adopted a written charter setting forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include considering and recommending candidates to fill new positions on the Board, reviewing candidates recommended by shareholders, conducting inquiries into the backgrounds and qualifications of candidates, recommending the director nominees for approval by the Board and the Shareholders, considering conflicts of interests, recommending members and chairs of the committees, reviewing the performance of directors and the Board, establishing director retirement policies and establishing and implementing an orientation and education program for new members of the Board . The Corporate Governance and Compensation Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense. The Corporate Governance and Compensation Committee meets at least twice annually and otherwise as requested by the Board or considered desirable by the Chair of the Corporate Governance and Compensation Committee.

Compensation

The members of the Corporate Governance and Compensation Committee have the responsibility for determining compensation for the directors, officers, employees and consultants of the Corporation. Please see the discussion under the heading "*Executive Compensation*".

The Corporation's Corporate Governance and Compensation Committee reviews and makes recommendations to the Board concerning the compensation of the Corporation's directors, officers and employees, which includes the review of the Corporation's executive compensation and other human resource philosophies and policies, the review and administration of the Corporation's bonuses, stock options and any share purchase plan, the review of and recommendations regarding the performance of the Chief Executive Officer of the Corporation and preparing and submitting a report for inclusion in annual continuous disclosure documents as required.

The Board has adopted a written charter that sets forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include: reviewing the adequacy and form of any compensation program for executive officers, reviewing the adequacy and form of non-employee directors' compensation, reviewing and creating a position description for the Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of corporate goals and objectives, making recommendations to the Board with respect to the Chief Executive Officer's compensation, setting criteria for selecting new directors, recommending to the Board the size of the Board, the appropriate composition of the board and eligible individuals for election to the Board, a majority of whom shall be independent, recommending to the Board the appropriate committee structure, committee mandates, composition and membership, reviewing and recommending to the Board a set of corporate governance policies, practices and principles aimed at fostering a healthy governance culture at the Corporation.

The review will identify any areas where the directors of the Corporation or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation. The Board is also responsible for regularly assessing the effectiveness and contribution of each director, having regard to the competencies and skills each director is expected to bring to the Board. The Board of Directors shall have full and final discretion to interpret the provisions of the Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the Plan. All decisions and interpretations made by the Board of Directors shall be binding and conclusive upon the Corporation and on all persons eligible to participate in the Plan, subject to the approval of the Exchange (including shareholder approval if required by the Exchange). Notwithstanding the foregoing or any other provision contained herein, the Board of Directors shall have the right to delegate the administration and operation of the Plan to a special committee of directors appointed from time to time by the Board of Directors, in which case all references herein to the Board of Directors shall be deemed to refer to such committee.

4. Eligibility

The Board of Directors may at any time and from time to time designate those Optionees who are to be granted an Option pursuant to the Plan and grant an Option to such Optionee. Subject to Exchange Policies and the limitations contained herein, the Board of Directors is authorized to provide for the grant and exercise of Options on such terms (which may vary as between Options) as it shall determine. No Option shall be granted to any person except upon the approval of the Board of Directors. A person who has been granted an Option may, if he is otherwise eligible and if permitted by Exchange Policies, be granted an additional Option or Options if the Board of Directors shall so determine. Pursuant to Exchange Policies, the Corporation shall represent that the Optionee is a bona fide Employee, Consultant or Management Company Employee in respect of Options granted to such Optionee.

5. Participation

Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Optionee’s relationship or employment with the Corporation.

Notwithstanding any express or implied term of this Plan or any Option to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as conferring on any Optionee any right with respect to continuance as a director, officer, employee or consultant of the Corporation or any subsidiary of the Corporation.

Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director or officer of or a consultant to the Corporation or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer or employee of or a consultant to the Corporation or any of its subsidiaries.

No Optionee shall have any of the rights of a shareholder of the Corporation in respect of Common Shares issuable on exercise of an Option until such Common Shares shall have been paid for in full and issued by the Corporation on exercise of the Option, pursuant to this Plan.

6. Common Shares Subject to Options

The number of authorized but unissued Common Shares that may be issued upon the exercise of Options granted under the Plan at any time, together with the number of Common Shares reserved for issuance under all other equity based compensation arrangements of the Corporation, shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis, and such number shall increase or decrease as the number of issued and outstanding Common Shares changes.

Subject to Exchange Policies, the aggregate number of Common Shares reserved for issuance to any one Optionee under Options granted, together with all other equity based compensation arrangements of the Corporation, in any 12 month period shall not exceed 5% of the issued and outstanding Common Shares determined at the date of grant, or 2% of the issued and outstanding Common Shares determined at the date of grant in the case of an Optionee who is a Consultant. In addition, no more than an aggregate of 2% of the issued and outstanding Common Shares determined at the date of grant may be granted to Employees conducting Investor Relations Activities.

Appropriate adjustments shall be made as set forth in Section 0 hereof in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unexercised Common Shares subject thereto shall again be available for the purpose of the Plan.

No fractional shares may be purchased or issued hereunder.

If the Expiry Date occurs during or within 10 days after the last day of a Black Out Period, the Expiry Date for the Option will be the last day of such 10 day period.

Each Option granted by the Corporation prior to the date of the approval of the Plan by the shareholders of the Corporation is continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Corporation.

7. Option Agreement

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the “**Stock Option Agreement**”). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of the Exchange or any other regulatory body having jurisdiction over the Corporation.

8. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which date shall be no later than the expiry of the Option Period (the “**Expiry Date**”), subject to earlier termination as provided in Sections 10, 11 and 16 hereof.

Subject to Exchange Policies and any limitations imposed by any other regulatory authority having jurisdiction over the Corporation, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount equal to or greater than the Discounted Market Price of the Common Shares. In the event that the Corporation proposes to reduce the exercise price of Options granted to an Optionee who is an Insider of the Corporation at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the reduction of the exercise price, if required by the rules and policies of the Exchange then in effect.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to such Optionee at any time prior to the Expiry Date, subject to Sections 10, 11 and 16 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted as set out in the Stock Option Agreement. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

10. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, any Options granted to such Optionee will terminate on the 30th day following the effective date such Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries or the expiry time of such Option, whichever occurs first, and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised; however, such Options may be exercised by an Optionee who has ceased to be a director, officer, employee or consultant only if the Optionee was entitled to exercise the Options at the date of such cessation pursuant to the terms of the Optionee's Stock Option Agreement.

11. Death of Optionee

In the event of the death of an Optionee, any Options previously granted to such Optionee shall be exercisable within one year following the date of the death of the Optionee or prior to the Expiry Date, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under such Options shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise such Options at the date of the Optionee's death pursuant to the terms of the Optionee's Stock Option Agreement.

12. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except pursuant to Section 11 hereof, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

13. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation; or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

14. Adjustments

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change; or
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereon he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustment shall be made successively whenever any event referred to in this section shall occur. Appropriate adjustments to: (i) the number of Shares subject to the Plan and, as regards to Options granted or to be granted, in the number of Shares optioned; and (ii) the Exercise Price, shall be made by the Board of Directors to give effect to adjustments in the number of Shares resulting from any of the above mentioned subdivisions, consolidations or reclassifications of the Shares, the payment of distributions or dividends by the Corporation (other than dividends in the ordinary course) or other relevant changes in the authorized or issued capital of the Corporation, which changes occur subsequent to the approval of the Plan by the Board of Directors.

15. Costs

The Corporation shall pay all costs of administering the Plan.

16. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any other regulatory authority having jurisdiction over the Corporation, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such other regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 16(a) hereof, subject to the approval of the Exchange or any other regulatory authority having jurisdiction over the Corporation, and the approval of the shareholders of the Corporation if required by the Exchange or such other regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an

Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to such Optionee prior to the effective date thereof.

- (c) The Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

17. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of Canada applicable therein.

18. Prior Plans

On the effective date (as defined in Section 19 hereof), subject to Exchange approval and, if required, shareholder approval:
